

CRIMECOIN:

POWERING THE
CRIMECRAFT.IO GAMING
REVOLUTION

TOKEN OFFERING INFORMATION

AUGUST 2024

INTRODUCTION

CrimeCoin (CRIME):

A utility token designed to enhance the CrimeCraft.io gaming experience. As a specialized currency within the game's ecosystem, CrimeCoin offers exclusive benefits and features for holders, creating a premium layer within the CrimeCraft.io universe.

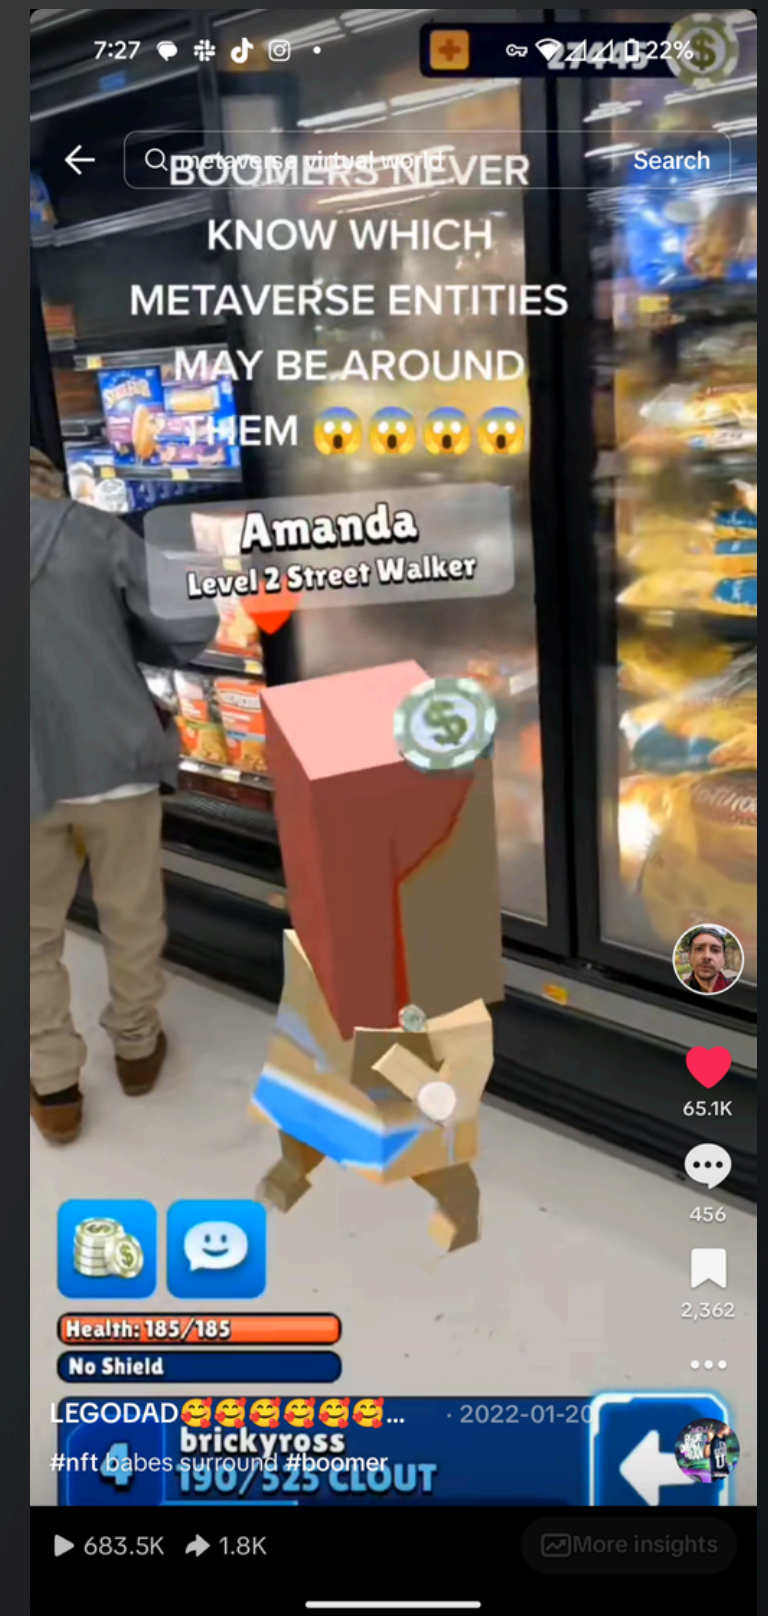

You'll learn more about the game on the next page.

CrimeCraft.io is a revolutionary mobile game that blends real-world exploration similar to Pokémon GO with virtual crime gameplay, more like Grand Theft Auto

- GPS-based gameplay: Find crime opportunities in your real-world surroundings
- Engaging mini-games: Commit virtual crimes solo or with other players
- Open-world feel: Explore a dynamic urban environment reminiscent of Grand Theft Auto
- Minecraft/Roblox-inspired graphics: Simple, appealing style for broad audience appeal
- AR-ready: Optimized for current mobile devices and future AR goggle integration
- Proven Viral Potential: The game has already gone viral multiple times during testing phases

Legodad Playing Crimecraft In A Walmart, Throwing Virtual CrimeCoins at Digital Street Walkers Who Began Dancing Right Near A Real Person. This video went viral to almost 700k views and is one of only 7 or 8 gameplay videos we ever posted online. You can verify this on tiktok @legodaddyforty.

WHAT DO CRIMECOINS DO FOR PLAYERS?

- Premium Purchases: Exclusive in-game items only available with CrimeCoin
- VIP Access: Unlock special game modes and restricted areas in CrimeCraft.io
- Enhanced Trading: Access to a dedicated CrimeCoin marketplace
- Staking Rewards: Earn additional benefits by holding CrimeCoin
- Governance Participation: Influence CrimeCraft.io development decisions (future feature)

Another EASY Viral TikTok. Legodad Playing Crimecraft In Walmart. This Time He's Saving A Distressed Blocktitude By Knocking Out Her Pimp, A Local To Delray Square Named Pootie, With A Crowbar. You can verify this on tiktok @legodaddyfourtwenty.

Legodad Stopped Off At The Gas Station To Collect Funds From A Virtual Drug Dealer Working Under Him. He Is Also Going To Give Him A Re-up As His Supply Is Very Low As Seen In The Bar At The Top. Legodad Is In The Top Right

OUR TEAM

We're Looking To Rapidly Expand This Team. The Project Was Previously On Hold Since 2022 Due To Team Availability And Total Funds Available For Hiring.

Parker "Lego Dad" King - Founder & CEO

- Social media influencer with tens of millions of views across all platforms and consistently viral content, especially with AI now
- Co-creator of the initial CrimeCraft.io code in 2022

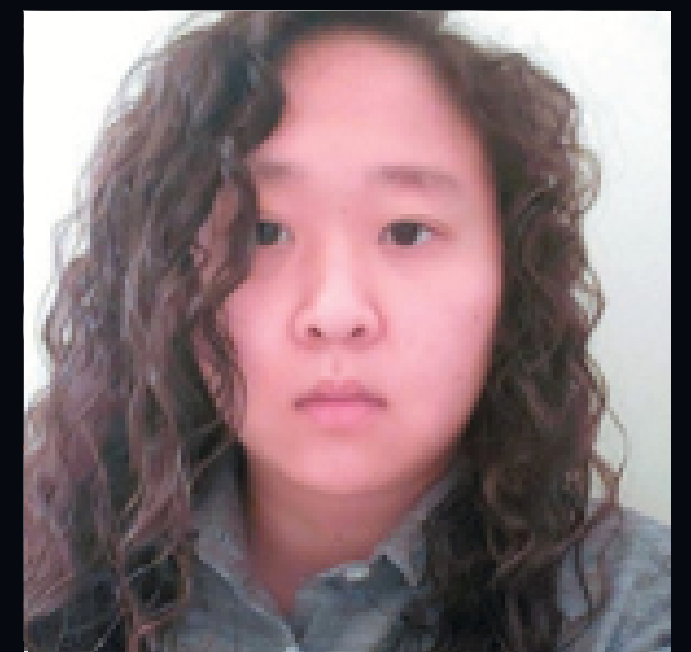

KC Da Beatmonster - Co-Founder & Music Director

- Veteran music producer with A-list industry connections and an impressive body of work
- Dedicated to securing high-profile partnerships in the music and entertainment sectors

Eun Kim - Software Engineer & Co-Founder

- Experienced software developer and business process manager
- Co-creator of the initial CrimeCraft.io code alongside Parker in 2022

ROADMAP

Luckily the magic and depth of CrimeCraft does not rely on high resolution graphics or ultra-impressive cinematic experiences such as a Grand Theft Auto which takes years and years for their development teams. This is a mechanically simple yet profoundly deep mobile game meant to release and then continue expanding. There will always be new features to add.

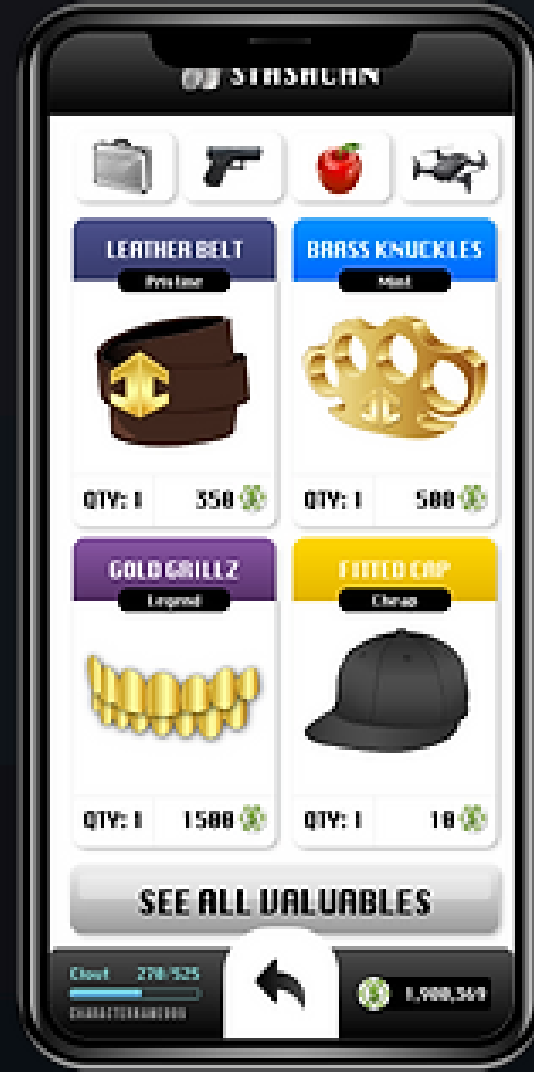

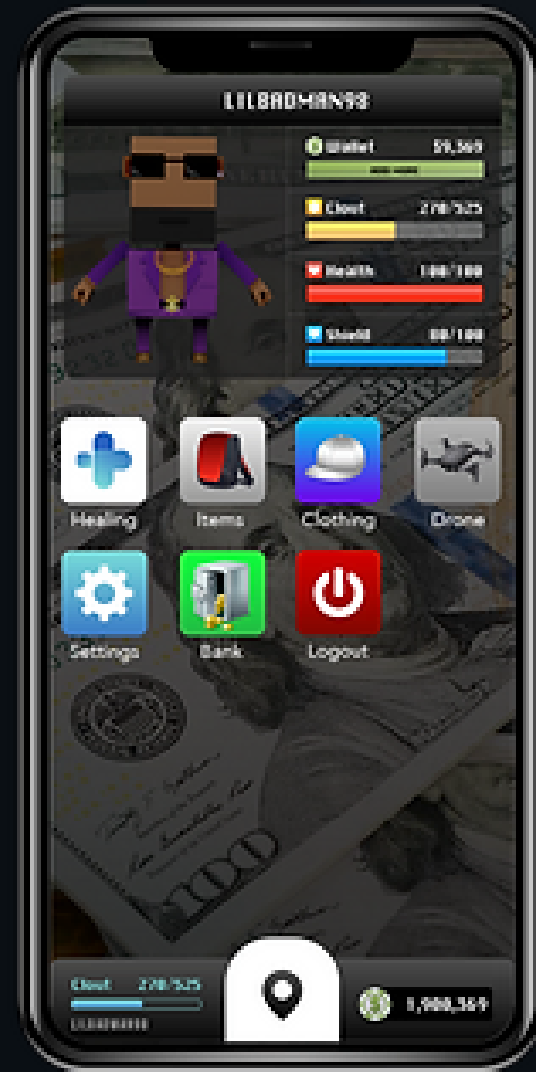

Q4 2024

- Token Sale Is Active And CrimeCraft.io development is moving along with several new additions to our workforce
- Content Creation And Community Building is a Continued Priority
- CrimeCraft.io Character Creator Releases As A Standalone Product To Keep Fan Excitement/ Commitment At A Peak During Development Wait

Q1 2025:

- CrimeCraft.io Closed And Open Betas, Debugging, Community Management, Feedback Communication + Implementation. Open beta is basically where it becomes a real revenue producing mobile game available for download.

Q2 2025:

- Advanced Token Utility Features Roll-out And Further Expansion Of Game Features

Q3 2025:

- Game Officially Switches From Open Beta To Full Release Status
- CrimeCraft Is Widely Considered More Fun Than Pokemon Go and Other Similar Games

Players Use A Cell Phone In Game To Access Different Apps and Menus, Including Their Inventory, Which Is An App Called "Stashcan"
